Extra Opportunities

We are calling in and building a strong and vibrant community on the foundations of abundant giving and receiving. Below are opportunities to invest more of yourself and your gifts into this space and in return create deeper connection and belonging.

Are you interested in/able to facilitate any other group experiences? (e.g. cuddle puddles, guardian of themed open play spaces, check in circles, structured social connection etc) If so, please tell us what and provide a brief outline below of any ideas.

We are looking for some additional assistance from our facilitation team in the emotional support space and info booth. You would be offering a secondary presence with one of our dedicated emotional support team. Are you willing to do a shift or 2? If so, approx how many hours all up?

Is there anything else that you would like us to know as organisers?

Final Agreements

To facilitate at FEAST 2023 you must have professional indemnity and public liability insurance. You may apply without it, however if your application is accepted then you must provide a certificate of currency before we add you to the program and confirm your facilitation place at the festival.

Facilitators need to arrive by 10.30am on Thursday 23rd November so we can land, connect and weave our team together in preparation to welcome participants in the afternoon. By applying you also commit to attending the entire festival through to the evening of Sunday 26th November at 6pm.

Can you commit to these timings?*

Before you finalise your application you must confirm that you have read, agree and align with the [FEAST Core Values](#) and [Festival Terms and Agreements](#).

We deeply value your interest and investment of time, energy and gifts in the FEAST community and festival.

We are excited to receive your application!

Warm wishes and hugs,

Susan and Jordan
